Memo No. 1167....

Dated: 15-06-2018

From ;

The Principal,
Shivalik Public School,
Ropar.

Sub:- For issuance of Building Safety Certificate for the year 2018-19.

Ref. Your Letter No. 6932PSPSR/PS/118 dated 25-05-2018.

Regarding the subject cited above, after depositing the inspection fees by you vide G.R. No. ST-525123 dated 05-06-2018, the inspection of the School Building was conducted by Sh. Sandeep Rai, Junior Engineer of this Office on dated 13-06-2018 and during the inspection, the Building of the school was found safe. So, the Safety Certificate regarding the School Building is being issued to you on the following conditions:-

1. If any extension/ alteration is done in the Building after its inspection, then it must be got done in the supervision of some recognized Engineer after getting approval again from the Structural Engineer regarding the safety of the Building, the Safety Certificate be got issued again from this Office in the light of conditions laid down by this Office.
2. If any damage is caused to the Building due to natural calamities or some other reason, then you would have also to inform this office immediately so as to take necessary steps.

Safety Certificate is being issued to you for the year 2018-19 as per the conditions mentioned above.
